Batam 29428

I am an active 4th-semester student at Politeknik Negeri Batam, majoring in Informatics Engineering. I have a strong interest in self-development in the fields of technology and organization, and have honed my leadership, teamwork, and communication skills. I am accustomed to working in project teams and am capable of analyzing and solving problems with a structured approach. I am enthusiastic about continuous learning and ready to face challenges in a dynamic work environment.

EXPERIENCE

Asisten Dosen   **June 2025 - July 2025**
Politeknik Negeri Batam   Batam

Served as a non-SK lecturer assistant for the Database course, where I developed lecture materials and provided practical guidance to students. Played an active role in helping students understand database concepts and implementation using various database management systems.
